

Warranty Information

JANDON faucet warrants the original purchase (must have prove of purchase) that such product is free from defect in materials or workmanship for as long as the original consumer purchaser owns their home from the date of purchase. This warranty is limited to but not including labor charges incurred and/or damages sustained during installation, repair or replacement, nor incidental or consequential damages. This warranty does not cover items which have received secondary finishing or have been altered or modified after purchase, or for defects caused by physical abuse to or misuse of the product. This warranty gives the original purchaser of a 2002 JANDON faucet specific legal rights which may vary from state to state or from province to province. In some states or provinces the exclusion or limitation of incidental or consequential damages is not allowed, so those exclusions may not apply to you.

Thank you for your purchase !

Configuration

Connect to water supply lines with either:

- (A) 3/8" O.D. Copper tubing (ball nose risers with the coupling nuts or;
- (B) 3/8" Copper tubing (no ball) with supplied tube head interior connector or;
- (C) IPS faucet connectors (1/2")

Important:
Important

Tighten connection with two wrench to prevent damage to tube body. Be careful not to bend the stem as this will void the product warranty.
